

## SUMMARY OF 2011 ELECTION COMMITMENTS ON FIRST NATIONS

In “*First Nations Count*”, the Assembly of First Nations (AFN) outlined a number of priorities for First Nations. These were derived based on resolutions from Chiefs-in-Assembly and strategic planning of the AFN National Executive, and reflect our broad theme of ‘*working together now to build success for the future.*’

A quick summary of Party commitments to this point in the campaign that may be relevant to these priorities can be found in the chart below. Please note: Conservative commitments incorporate both the March 2011 Budget and the Platform released April 8, 2011.
