10 Simple Ways To Go Green!

1. Reduce Electricity
2. Take small steps—shut off water while you brush your teeth. Walk or bike or bus to work and school. Take faster showers or use less amount of water to bath, hang your clothes on a line versus putting in your dryer. Choose products that are not over-packed.
3. Recycle (and reap the rewards)
4. Donate or REUSE
5. Write a letter to Chief and Council informing of your efforts during EARTH WEEK!
6. Make a Re-usable bag
7. Do a family project such as Bird Watching or daily after dinner walks
8. Enjoy earth
9. Talk about your Earth Week efforts at the dinner table.
10. Beautify Lil'wat
