### **Qu7—Water Group Leadership Class with Kathryn Ast.**

The Qu7 leadership class is participating in the SLRD's 'Zero Waste Challenge' where they will be creating a plan to reduce the school's waste and submitting a short video documenting their 'learning journey'. The winner will receive \$1000 to put towards a waste reduction initiative at XCS! This photo shows the students collecting garbage around the community. Wacy Ty Jim and Gage Gabriel collected 7 bags of litter in just 30 minutes! Good work Qu7!

## **Halloween for Hunger**

Did you know: In Canada, in 2005, 40.7% of food bank clients were under 18 years old?

**The students of XCS are encouraged to participate in Halloween for Hunger this year by bringing in non-perishable food items from now until Halloween.**

Food items can be brought to the school and placed in designated boxes to be collected and taken to the food bank. You can also give them to your classroom teacher.

Let's give the food bank a boost this Halloween and help out those in our community!
